FEIN RIBUNE IN ANY OR OBAYATARNA PERSON Friday, December, 19, 1856. and our OUR CANALS he.

o) . The our Legislature will soon meet, it may not be improper for the press to they of the body. One of the most important matters for their consideration will be the Canal policy, The Report of vothe Committee appointed last winter to examine into the villisales of the last Lo. cofoeo Administration, will startle the State with an exhibition of apoculation and fraud. It may or may not accomplish a practical good, but it is certain that it will "shed light in dark places." Our canals cost near \$12,000,000, and

Their revenues have fallen from \$1,-

amount paid out this year to pay the debts dangerous game, and having obtained se- ing occurred: amount paid out this year to pay the needs dangerous game, and having obtained search maintain the canals in repair, exceeds cure footing on good farms, there is no field's cartificate and the whole subject what I want to defeat the objects of the to an investment that is not worth one

Are the people of Seneca county wil- certainly encouraging. Hing to be taxed \$1,000, to maintain canals that do them no good, and are only of service to a few speculators? What will the people of all the counties off the canals say to this? The proposition is an insult to our rights! If they can be sold or giv a away let it be done, before ice breaks next Spring. In this there can be no party bias for it is simply a question

In the hands of a private corporation, these public works might be managed with some advantage. They would be better conducted. It is better for the people along the lines that private enterprice should control them.

Railroads are now building along these canals, that must soon render them still more valueloss. In letting the contract for repairs in November 1855, the Locofoco party just retiring from power, gave what shall be done? Can we in good faith and law annul them? We must not repudiate. If public officers chosen
